

# Greece the Musical!

This week Forms I and II donned their togas and took to the stage to perform Greece – The Musical! The children all worked extremely hard to ensure that their lines were clear and sang their hearts out to the catchy tunes they performed. We have thoroughly enjoyed rehearsing for this production and there is

no doubt that each and every one of them has learnt something about the Ancient Greek myths that they didn't already know! The whole cast were wonderfully energetic and enthusiastic, however I do want to say a big congratulations to Amelia Thomas (Heracles), James Barker (Zeus), Emily Banks

(Hera), Joshua McCallum (Dionysus), Oscar Irvine (Prometheus) and Charlie Daniels (Icarus). They all learnt huge chunks of lines and, as many people have commented, gave a very polished performance.

Well done Form I and II.

## Onwards and Upwards

On Monday 4<sup>th</sup> July work on construction of the Sports Hall begins. In the first instance work will be of a preparatory nature, bringing in equipment and fencing off the site. After term ends work begins in earnest and it is hoped that the shell of the building will be ready for fitting out at the beginning of the New Year.

My thanks go to the whole school community and especially to those who have contributed so generously to the appeal. Special thanks must go to Mr. Harry Thuillier, Chairman of Governors, and

Mr. Colin Dudgeon, parent and governor, who have been

instrumental in driving this project forward.

# Camping it up at the Fun Day!

Last Saturday's Fun Day was a huge success. There was an array of brilliant stalls planned and manned by the children themselves; and in addition ice cream, beer and burgers aplenty. Altogether £2,000 was raised which the BA will put towards future School projects. Our thanks go to everyone who supported the Day!

Blessed by glorious sunshine over seventy-five families pitched their tents to finish off a magnificent day thus raising over £2,400 for the School Charity 'Brain Tumour Research'. Who needs Glastonbury?

*Mr Whybrow being a good sport.*

"The winner of the Fun Day's Adult Marksman 2011 competition was Guy Lees-Milne, with a fantastic score of 43 out of 50 with his first five shots, despite the Air Rifle sights being out. Perhaps he should try for the 2012 Olympic team ?

Harvey Bennett won the Junior Marksman 2011 competition with a creditable score of 27 on his first attempt. Harvey said he had not fired an Air Rifle before but knew what to do as he played computer games! Just goes to show that computer games can be useful sometimes.

Thank you to all who took part; as we are leaving the school this year, if anyone would like to take the "range" off our hands, please contact me via the Blue Book or through the school office.

Steve and James Parker"

*6.00am Sunday 26th June....all is quiet.*

## Beachborough's Brownies

Many, many generations of Beachborough girls have been lucky enough to have spent time as Brownies and Guides. Under the leadership of Erica Oram and Verity Sanders, children have enjoyed fabulous experiences and have learned a great deal about themselves, their community and the wider world. I am determined for these two packs to continue to thrive in the future, but I would like to announce, to those that have not already heard, that both Erica and Verity stand down at the end of this term.

They will be keeping a caring eye on how the packs develop but I am searching for new leaders. These leaders must be prepared to

take on the training offered by the local district, lead weekly meetings and support the values of this internationally regarded movement.

Please get in touch with Jeremy Banks ([jmb@beachborough.com](mailto:jmb@beachborough.com)) if you would like to be considered for the post.

### Saturday 9th July:

All children in the prep school must be in school by 9.15am.

The Leavers' Service will take place at 10.00am in St. Augustine's, Westbury. The parents of all leavers are welcome to come to Church.

There have been several incidents of 'minor collisions' in the car park recently. As we move towards the end of term and a multitude of events, I would ask that we all take care and if you are responsible for a 'bump', however minor, please report the fact to the school office.

**Congratulations to Jemma Robinson for gaining a BA (hons) in Education Studies at Bedford.**
