

Skern Lodge 2011

On Monday morning the Form I and II children left school to embark on their epic adventure to Skern Lodge. For some it was a chance to return to Skern to face the activities that may have challenged them the previous year. For others, in Form I, it was a chance to see what they could do. The feeling of excitement and anticipation on the coach was electric as we drove through the gates of Skern Lodge. The children were fantastic and there is no doubt that many of

them surpassed even their own expectations. We started our week with a fun afternoon on the beach, building sea monsters, completing a scavenger hunt and playing team games. The High Ropes, Climbing Wall, Assault Course, Surfing, Kayaking, Swimming and Fantasy Quest were just some of the activities they took part in during their stay. However, it wasn't just the children that had lots of fun, Mr

Jack and Mr Butler enjoyed themselves so much they did everything TWICE!

Nursery & Kindergarten

This term Nursery and Kindergarten's topic is 'Old McDonalds Farm'. Mr & Mrs Bellingham (Senior) came in to talk to us about life as a farmer. They brought many of the crops that they grow to feed the cows on and explained to us how their dairy farm operates. The children were able to see first hand products such as butter, cheese and yoghurt and that they are all made from milk.
