

FANTASTIC SPLASHTASTIC!

Finally the day arrived and hundreds of children asked their parents to take them to Towcester Leisure Centre for the first ever [Beachborough Pool Party](#). Did you see the photographic evidence in the Front Hall of the Manor House? Beachborough pupils and parents splashing, dodging the waves, balancing on floats, jumping off the large inflatable, being squirted by a cold hose and zipping down the pool flume! Everyone was smiling and enjoying themselves. There were eight members of Beachborough staff, one hundred and eighty pool party children, seventy wet parents, five lifeguards and lots of spectators too.

THANK YOU to everyone who has helped to raise money and for the many donations too.

The exciting news is . . . our **SPLASHTASTIC** charity event raised **£665 for Brain Tumour Research**.

Well done, Beachborough!
The Charity Committee
