

Beachborough Association Family Drinks Party

Sunday 18th September 11am-1pm

We are delighted to have welcomed you all back to Beachborough for another challenging year. To celebrate the beginning of the year I do hope that you will join myself and the Beachborough Association on Sunday 18th September between 11.00am and 1pm for a family drinks reception. Martha Stewart, the Chairman of the BA, has ordered an 'Indian Summer' so hopefully we will be out on the terrace with the children playing on the front lawn and playground.

To help us cater accurately, please can you inform Julie Atkinson of your intention to attend or not.

BAGS 2 SCHOOL COLLECTION

Thanks to everyone who brought in bags of unwanted clothes and textiles for the Firefighters' Charity bag collection last term. It also raised £94 for the BA: every little helps! The next collection will be November 11th, with plenty of warning nearer the time. Contact: Arabella Musson (arabella@musson.co.uk).

A Bear Abroad

During the Summer holidays Beachborough Bear hitched a lift with two of our pupils and travelled to Israel. Whilst there he visited many of the wonderful sites in Jerusalem, went swimming (and floating) in the Dead Sea and visited the lowest place on earth, En Gedi!
