- Invoices are presented at the end of each term and settlement is required by the first day of the following term.
- Tuition fees are charged in advance, extras are charged in arrears.
- Fees include Accident and Dental Insurance.
- External examinations will incur a fee that will be passed on to those paying the school fee bill
- There are extra costs for certain voluntary co-curricular activities. Further details are circulated when children choose their activity.
- For children over the age of 5 years, Childcare Vouchers cannot be used to pay for school fees. They can only be accepted for chargeable, non-curricular activities that take place after school hours and appear separately on your fee bill. Vouchers can also be used to pay for boarding, holiday clubs and towards school fees for children under five only.
