PRE-PREP SCHOOL DAY

For children in Pre-Prep 1 and 2, the school day runs from 8:30am until 3:30pm. Registration is taken between 8.30am and 8.45am and we ask that if you arrive at school later than this time, you register your child with the school office, based within the Manor House.

Wraparound care is available from 8:00am until 8:30am and between 3:30pm – 6:00pm. Children are supervised by Beachborough staff and teaching assistants, who the children know well.

- 4.30pm after co-curricular activities or after tea if not in an activity
- 5pm after tea if attending a co-curricular activity
- 5 - 6pm from wraparound care

There is no charge for wraparound care and tea will be provided for children at 4pm or 4:30pm, depending on if they attend a Co-Curricular Activity or not. We do ask that if you arrive at school when your child is in tea, to please wait until they have finished to collect them as this can be very upsetting for other children who are not being collected. Children are to be signed out and collected from the Boardman.

In the event that a parent/carer is unable to collect a child, they will be taken to the Boarding House until contact is made and collection possible. Our Missing Children Policy can be found in the Safeguarding Policy on the school website.

Children attending appointments during the school day or attending an appointment from which they will not return, should sign out in the school office, based in the Manor House.

CO-CURRICULAR ACTIVITIES

A range of after school clubs are available for the children each term. Parents are sent information regarding these clubs before the school holidays. If you would like more information regarding clubs, please contact Mr Perronnet at n.perronnet@beachborough.com.

INDIVIDUAL MUSIC LESSONS

If you would like your child to take up a musical instrument or have singing lessons, please contact the Director of Music, Mrs Chatfield at a.chatfield@beachborough.com.

Half a terms notice is required to cancel lessons.

HOLIDAY CLUB

Ultimate Activity run a holiday club at Beachborough in the Easter and Summer holidays and this is open to children aged 4 and over. If you would like further information, please visit <https://www.beachborough.com/school-life/holiday-clubs/> or www.ultimateactivity.co.uk.

BOARDING

Boarding is very popular with many children in Forms III and above.

For further details please contact our Houseparents, Mr and Mrs Blithe on s.blithe@beachborough.com to request a tour of the Kites Boarding House.

SCHOOL CLUBS (HOUSES)

There are four Clubs, and each is a vertical group of Reception to Form VIII pupils.

There are various activities during the year which are Club based such as sporting, poetry, art, cookery, maths, and general knowledge competitions.

Credits are awarded when children show any of our 'Intellectual Characteristics' through collaborative and individual tasks. Credits are counted, with a winning Club being celebrated each week and published in our newsletter.

Pupils in Forms III-VIII attend Club meetings regularly as a social group for assembly and this is an opportunity for members of the Club to present something to the others. All teaching staff are attached to a Club.

Each Club has its own colour shirt (Forms III-VIII) and there is fierce loyalty, especially evidenced on Club Sports Day.

- Boardman Club – green
- Carder Club – yellow
- Chappell Club – blue
- Sprawson Club – red

CONTACT DETAILS

All parents are requested to submit accurate contact details to the School Office. These should include address, telephone numbers (landlines and mobiles) and e-mail addresses.

No contact details will be given out to third parties without permission. Change of address or telephone numbers etc, should be given to the school office and Bursary immediately.

PREP SCHOOL WEEKLY FIXTURES

All team lists are sent out directly to the relevant parents, and can be found on the notice board in the Manor House on the day before the match for the children to view.

In the event of bad weather and cancellations, parents are contacted directly via email or telephone.

TEAM SELECTION

Our aim is to include as many pupils in matches against other schools as possible. Whilst our 1st or 'A' teams will always consist of the strongest players for a particular sport, our 'B' or 'C' or 'D' teams give other children a chance to represent the school in a competitive situation.

MEDICAL MATTERS

The School Medical Room is based in the Manor House and is open from 8.00am until 6.00pm Monday to Friday. The school Medical Team will look after your child if they feel unwell during the school day. The Medical Room door is always open; however, we do encourage non emergencies to be dealt with at break times, if possible, to avoid disruption to classes. If a pupil is unwell during the night, the Boarding Parents, Assistant Houseparent or onsite duty staff can be called upon at any time.

Pupils must not bring medication into School for their personal use unless prescribed by a doctor. All medicines must be handed immediately to the School Nurse. A 'Parental Consent for School to Administer Medicine' form is to be completed each time your child requires regular or occasional medication, and can be found on our website www.beachborough.com/school-life/medical-care.

When joining the school, it is a requirement that we ask parents for signed permission for us to administer home remedy medicines such as Paracetamol, Ibuprofen, Piriton, as well as non-medication items, such as sun cream.

If a child has been given any medication overnight or before they come to school, it is a parent's responsibility to inform the medical team.

Tummy bugs spread quickly; children should not return to school until at least 48 hours after their last episode of sickness or diarrhoea. If your child has had a temperature greater than 35 degrees centigrade, they should not return to school until at least 24 hours after their last raised temperature.

If you have any concerns about the health of your child or wish for your child to be off games for a medical reason, please contact our team on: medical@beachborough.com.

ELECTRICAL ITEMS

ALL TECHNOLOGY MUST BE NAMED

- Pupils are not allowed to bring phones into school. If transport arrangements for a child warrant them needing a phone, then please consult with either the Head of Boardman (Boardman) or the Head (Manor House).
- Kindles (or equivalent) with no internet access are allowed.
- Tablets and laptop computers are allowed if it is agreed with the Head of Learning Support.
- Separate arrangements for use of mobile technology is made prior to some school trips and residentials with a long travel time.
- Watches and Fitbits (or equivalent) with **no internet access, photography or videography** functions are allowed.

This policy will be reviewed regularly to reflect the ever-changing landscape of mobile technology.

ELECTRICAL TESTING

In order to meet legal obligations under Health and Safety legislation regarding electrical equipment and appliances, it is **ESSENTIAL** that parents ensure that any electrical appliances and equipment to be brought to the School by pupils, have been tested by a competent electrician and labelled as having passed a portable appliance test.

All electrical musical instruments **MUST** be fitted with a residual circuit breaking device (RCD).

HAIR

Hair should be kept neat and tidy and of a reasonable length.

Hair should be tied back if longer than shoulder length. Only blue, black or Beachborough tartan hair bands and 'scrunchies' are acceptable.

Hair dye or gel is not allowed.

WATER

Pupils are allowed to bring water bottles to school so that they may drink at any time during lessons and taps are clearly labelled for the purpose of drinking water. The bottles should be named and contain still water only, it is preferable that the bottles are transparent. Pupils are allowed to go to the dining room to ask for a drink at any break between lessons.

HOLIDAYS

Holidays are designed to allow all members of the school community to re-charge batteries and prepare for the challenges ahead. Consequently, parents are asked to restrict holidays to the advertised times. However, this may not always be possible and requests for absence during term time should be emailed to the Head on: s.mitchell@beachborough.com. It is not our policy to provide work for a child taken out of school.

PERSONAL PROPERTY

Pupils are discouraged from bringing too much personal property to school (other than games kit and musical instruments). Any items that are brought in must be clearly named. Parents should be aware that the school insurance policy does not cover such items.

TELEPHONE MESSAGES

Pupils have access to the telephone in the School Office or Main Reception. However, they must ask for permission before using the phone.

BIRTHDAYS

Birthdays are important days for the children and we enjoy sharing these special days with them. We will celebrate by singing 'Happy Birthday'. Unfortunately, due to food allergies we don't share cakes or sweets at school.

JEWELLERY

Jewellery, other than studs for pupils with pierced ears, may not be worn.

For health and safety reasons all jewellery must be removed for the duration of Games/PE lessons. In the case of newly pierced ears, pupils' should provide their own tape to cover the earrings while they are healing. However, for Netball, there is a zero tolerance policy and earrings must be removed.

We ask that parents provide a small box for their child in which to store earrings safely for the duration of the lesson.

PREP SCHOOL PERSONAL SPORTS EQUIPMENT

PLEASE NOTE: PARENTS MUST NOT ENTER THE CHANGING ROOMS UNDER ANY CIRCUMSTANCES.

Football and Rugby Boots

Boots with moulded plastic studs or blades are acceptable. However, if the boots have screw-in studs, these must be for the correct sport.

Mouth Guards

All children playing hockey, rugby and lacrosse (sports which have a high level of physical contact) MUST wear a mouth guard. The British Dental Association advises that custom made mouthguards provide better protection and are less likely to become dislodged or inhaled.

There are three types of mouth guard:

- The “boil and bite” self-moulding mouth guards
- The “shock doctor” mouth guards
- The dentist fitted mouth guards

Shin Pads

Shin pads are required for hockey, lacrosse and football. It is important that shin pads are kept permanently in school.

Shoulder Pads and Head Guards

In rugby, players of any age are allowed to wear protective head and shoulder pads as long as they comply with RFU regulations.

This is not essential equipment, but you are very welcome to buy protective clothing for your child.

Cricket Helmets

For cricket, pupils must wear a helmet to bat or keep wicket. The school has a supply, though regular team members may wish to purchase their own.

ALL KIT MUST BE CLEARLY NAMED
