meals

# CARNIVAL Q&A

## Where can I pitch my tent and when?

- You can pitch your tent between 2pm – 4pm on the Island Pitches.
- You should access the field via the gate at the bottom of Mill Lane. The Camp Out Team will be on hand to direct you to your pitch, which will be marked out. Once you have deposited your camping gear please park your car in the allocated area before setting up your tent. This is essential to ensuring the Island Pitch and especially the athletics track remain in a good condition for the remaining sports events of the term. Our camp site will be a 'No Vehicle Zone' after 5pm.
- Please vacate the camp site by 11am on Sunday morning.
- Please check all tent pegs have been removed to avoid damage to our school lawnmower.

## What if I don't own a tent?

If you fancy taking it easy and 'glamping it up', you can book a luxury Bell Tent by visiting the website below and booking one of the Bell Tents available. Beautiful Bell Tents are happy to deal with parents directly for bookings: <https://www.beautifulbelltents.com>. Remember, if you would like to book glamping accommodation with Beautiful Bell Tents, you must purchase a 'family pitch' in addition to your glamping accommodation. Please book early, as there are a limited number of 'Beautiful Bell Tents' available.

## Do I have to stay overnight?

Whilst **family camp out tickets cost £120**, and we encourage the Beachborough camping experience, you do not have to stay overnight. You can book a **'Day Parking Space' for £100** to grant you access throughout the afternoon and into the evening (limited spaces – please sign up asap).

## What facilities will there be?

Toilets will be available in the sports hall changing rooms, with additional portaloos in the campsite area, which will be accessible throughout the night. A water point will be located outside the computer room on the terrace.

## What will I do with my rubbish?

On arrival, you will be given 2 large bin bags – recycling and general waste. You must keep your pitch clean and tidy; when you leave your pitch, you must take all of your rubbish home with you. Leave no trace!

## What is there to eat and drink?

- We have a bar from 4pm – 10pm, selling a selection of wines, beers, ales and themed cocktails for parents to enjoy, or mocktails for children. You are more than welcome to bring your own drinks if you wish.
- A professional BBQ Company will be on site from 5pm – 8pm, to provide a choice of meats, vegetarian options and salads. We can cater for any dietary requirements. Please see the separate menu and pay in advance – or you can make provision yourself with a picnic or takeaway for your evening meal.
- Ice creams and sweet treats will be on sale throughout the afternoon and evening.
- A cooked breakfast and hot drinks will be provided on Sunday morning (included in camp out price).

**PLEASE NOTE: NO BBQ'S OR DOGS ALLOWED AT THE CAMP OUT. THANK YOU.**

## Who is responsible for the children in my party?

You are responsible for the safety and behaviour of all the children in your party, at all times.

## What happens if it rains?

Should the weather be inclement, please check the usual lines of communication: telephone, email, and text. A final decision will be made on whether the camp out will go ahead at 10am on Saturday 28th June.

2pm  
Saturday  
until  
11am  
Sunday
