- All fees and charges are inclusive of any taxes (where applicable).
- Invoices are presented at the end of each term and settlement is required by the first day of the following term.
- Tuition fees are charged in advance, extras are charged in arrears and include Pupil Accident and Dental Insurance.
- External examinations will incur a fee that will be passed on to those paying the school fee bill.
- Voluntary co-curricular activities incur additional charges. Details are available at time of sign up.
- For children over the age of 5 years, Childcare Vouchers cannot be used to pay for school fees. They can only be accepted for chargeable, non-curricular activities that take place after school hours and appear separately on your fee bill. Vouchers can also be used to pay for boarding, holiday clubs and towards school fees for children under five only.
